

# PROJECT: TRINITY RESTORE

Trinity Lutheran Church ~ Claiborne

## *A Joint Partnership of RAI Ministries and the NW Suburban Mission Partnership*

### Project Goal:

To re-model and re-construct Trinity Lutheran Church (Claiborne) into a multi-functional worship center serving the needs of Lower Ninth Ward residents. Project completion target date: June 2011.

### PROPOSED Partnership Parameters:

#### *NW Suburban Mission Partnership pledges the following:*

- To fundraise \$25,000 in 2010 toward this project, including at least one fundraising event.
- To develop the construction work flow plan.
- To develop architectural renderings and blueprints.
- To dispatch construction work teams throughout the year. These teams would vary in size depending on specific needs.
- To dispatch Spiritual outreach teams throughout the year (in conjunction with RAI outreach efforts).
- To dispatch our annual multi-church mission team to Camp Restore in January 2011.
- To promote and raise awareness for this project in Chicago-area churches and communities through presentations, post-service announcements, bulletin and newsletter updates, website links and coordinated press releases.

#### *RAI Ministries pledges the following:*

- To assess needs and develop comprehensive ministry plan for Lower Ninth Ward.
- To oversee day-to-day project construction.
- To provide monthly construction reports as to the progress of the project.
- To communicate any project issues or setbacks in a timely manner.
- To handle all funds that are earmarked for this project and ensure that the funds are appropriated toward the project.
- To dispatch work crews from Camp Restore volunteer groups to the site based on current project needs and available skills of volunteers.
- To secure construction materials for the project as needed.
- To provide the NW Suburban Mission Partnership with a seat on the RAI Board of Directors.

#### *The parties will work jointly on the following items:*

- To create and update a portal website for this project, which includes:
  - Project overview and updates
  - Photo galleries and videos
  - Online donation capability
  - Work team signup capability
- To meet monthly via conference call
- To communicate openly and effectively
